Rental Agreement Contract

This contract will commence with the delivery of the instrument. One hundred twenty (120) days after delivery I shall:

1. Continue to participate in the month-to-month lease program by making my first monthly payment (column III) above. Subsequent payments will be due on the same day each month thereafter. Introductory payment and monthly payments may be applied as a discount credit off the purchase of a new band or string instrument only, as follows: When you so choose, you may return your used instrument, and the four-month introductory payment (column II) above and all monthly payments (column III) above up to thirty-six (36) months for string and wind instruments <or> twenty-four (24) months for percussion instruments, may be accumulated and applied as a discount credit off the purchase of an equivalent, step-up, or professional **NEW** instrument. This discount credit may not be transferred to or combined with any other rental contract. New instrument purchase price will be the **manufacturer's suggested retail price at the time of purchase, plus sales tax**. Payment plans are available for qualified buyers. You may continue renting the instrument by paying monthly rental fees and your discount credit will remain in effect; however, all monies paid after the above mentioned thirty-six (36) <or> twenty-four (24) month period will be treated strictly as rent and will not increase the discount credit that may be applied toward the purchase price of a new instrument.
2. Return Policy - Used instruments are rented on a month-to-month basis. This rental agreement can be terminated anytime by returning the instrument in its original condition (normal wear will be considered acceptable) to a Johnstonbaugh's location and settling any outstanding charges. **If you wish to return the instrument to a school, you must contact any Johnstonbaugh's location to request a return authorization in advance.** This rental agreement will remain in effect and will be canceled only when the instrument is received at the store. If a rental instrument is returned and a new instrument is not purchased at that time, monies paid to Johnstonbaugh's will be treated strictly as the rental fee for the use of the instrument, and may not be transferred to or combined with any other rental contract.

GENERAL CONDITIONS

1. I acknowledge receipt of the herein described personal property. Both parties agree that the property was inspected by Johnstonbaugh's and personally examined and accepted by you at the time of delivery and that the property was in good and serviceable condition.
2. A \$20.00 fee will be applied to any payment returned for any reason. A late charge of \$4.00 will be made for each payment which is five (5) days or more late. Should I become 60 days delinquent in monthly payments, Johnstonbaugh's is empowered to take whatever action deemed necessary to recover the instrument and all costs which arise from resulting collection and legal proceedings.
3. Title of the instrument will remain with Johnstonbaugh's, Inc. and its assignees.
4. At all times, guard the instrument from accident due to theft, fire or vandalism. If the instrument should be lost, stolen or destroyed, you accept full responsibility for replacement costs equal to one half of the manufacturer's retail price at the time of settlement for the same or equivalent model. If you pay the monthly Damage Waiver Charge as specified, subject to the limitations and exclusions which follow, Johnstonbaugh's agrees to modify the terms of this contract and relieve you of liability for accidental damage to the rental item on this contract. Johnstonbaugh's excludes from this waiver, however, any loss or damage due to theft, fire, burglary, misuse or abuse, theft by conversion, intentional damage, mysterious disappearance or other loss due to your failure to care for the rented item.
